

**INTERNATIONAL SYMPOSIUM ON PEROXISOMES IN
BIOLOGY AND MEDICINE**

Heidelberg, Federal Republic of Germany, 14–17 July 1986

Organizers: H. D. Fahimi, Heidelberg, F.R.G.
H. Sies, Düsseldorf, F.R.G.

This meeting is planned as a satellite symposium following the II. European Congress on Cell Biology in Budapest (6–11 July 1986), and the program will consist of plenary lectures, contributed papers and poster presentations.
