ERRATA

Volume 42, No. 3, 1971, in the Communication, "The Molecular Structure of Firefly D-(-)-Luciferin: A Single Crystal X-ray Analysis", by G. E. Blank, J. Pletcher, and M. Sax; pages 583-588, Page 584 - Fig. 1 - bond C₈-C₉, should be labelled: "1.379 Å".

Volume 42, No. 6, 1971, in the Communication, "The Origin of Light and Heavy Chains of Immunoglobulins" by M. S. Kanungo; Pages 1176-1179, Page 1176, line 7 of first paragraph should read 321 instead of 328; Legend for Figure 1 - should read "Mechanism of origin of L and H chains of Ig. v, variable; c, common". The following line should be added to the text: This research was supported by PL-480 Project No. A7-AH-57.
