Volume 42, No.6 (1971), in the Communications "Stimulation of Cell Free Polyphenylalanine Synthesis by 30S Ribosomal Subunits in Escherichia coli"; by Yoshifumi Takeda and Kyoko Miyazaki, pp. 1134-1141:

Page 1139, last line of the legend of Figure 5 should read:
-- without 70S; o---o, with 70S... instead of
-- without 50S; o---o, with 50S.

Page 1140, line nine from bottom should read:
-- nine synthesis by 30S ... instead of
-- nine by 30S.
