

ERRATUM

Volume 56, Number 3, February 4, 1974

In "Aryl Hydrocarbon Hydroxylase and Tyrosine Aminotransferase in Somatic-cell Hybrids Derived from Hepatoma Tissue Culture HTC (Rat) Cells and 3T3 (Mouse) Benzo (a) pyrene-resistant Cells," by E. Brad Thompson, W.F. Benedict, Ida S. Owens, and D.W. Nebert, pp. 605-610.

Page 607, line 11: it was incorrectly stated that the benzo (a) pyrene-resistant line 3T3-4(E) (BPR, TAT⁻, AHH⁻) was clonal. It was instead the uncloned culture of the drug-resistant cells.
