

ERRATA

Volume 100, Number 2, May 29, 1981

In "Translation of Human Immune Interferon Messenger RNA in *Xenopus laevis* Oocytes," by Donald M. Wallace, Michael J. M. Hitchcock, Susan B. Reber, and Shelby L. Berger, pp. 865-871, Fig. 2, p. 868, was incorrect. The corrected Fig. 2 is reproduced below.

Volume 100, Number 3, June 16, 1981

In "Impaired Negative Cooperativity of the Semisynthetic Analogues Human (Leu^{B24})- and (Leu^{B25})-Insulins," by Linda M. Keefer, Marie-Angès Piron, Pierre De Meyts, Hans-Gregor Gattner, Cornelia Diaconescu, Derek Saunders, and Dietrich Brandenburg, pages 1229-1236: On page 1236, Ref. (15) was incorrectly listed as "in press." Because there has been a delay in completing a final version, this paper should be regarded as "submitted for publication."
