

DEVELOPING A CHEMICAL HYGIENE PLAN

Joy A. Young
Warren K. Kingsley
George H. Wahl, Jr.

PUBLISHED BY
THE AMERICAN CHEMICAL SOCIETY

Developing a Chemical Hygiene Plan

This essential "how-to" book tells you what you need to know to comply with the federal regulation known as the "OSHA Laboratory Standard" which requires chemical hygiene plans. Developed by the ACS Committee on Chemical Safety, the guide presents hygiene plans that can be modified according to the particulars of individual laboratories. Among the topics covered in this valuable book you'll find

- application of the OSHA Laboratory Standard
- history of the OSHA Laboratory Standard
- standard operating procedures
- control measures and equipment
- records and recordkeeping

In addition, several appendices are provided, including employee information and training techniques, exposure assessment procedures, the elements of an emergency procedure plan, the OSHA Laboratory Standard, a list of contacts for states that have OSHA-approved state plans, and a list of acronyms.

This reference is critical to all lab supervisors who must have in place by January 31, 1991, a chemical hygiene plan that outlines specific work practices and procedures ensuring employee protection from health hazards associated with hazardous chemicals.

by Jay A. Young, Warren K. Kingsley, and George H. Wahl

Editorial Information

Instructions to authors and copyright status form are printed in the first issue of each volume. Please conform to these instructions when submitting manuscripts.

Manuscripts for publication should be submitted to the Editor, Gordon G. Hammes, Duke University Medical Center, P.O. Box 3673, 081 Yellow Zone, Duke South, Durham, NC 27710. Correspondence regarding accepted papers and proofs should be directed to the Journals Department at the address above. Page charges of \$30.00 per page may be paid for papers published in this journal. Payment does not affect acceptance or scheduling of papers.

The American Chemical Society and its Editors assume no responsibility for the statements and opinions advanced by contributors.

Registered names and trademarks, etc., used in this publication, even without specific indication thereof, are not to be considered unprotected by law.

Subscription and Business Information

Subscriptions are available only on a calendar year basis. (For membership information, contact Office of Member Services at the ACS Washington address.)

New and renewal subscriptions should be sent with payment to American Chemical Society, Department L-0011, Columbus, OH 43268-0011. Rates do not apply to non-member subscribers in Japan, who must enter subscription orders with Maruzen Company Ltd., 3-10 Nihonbashi 2-chome, Chuo-ku, Tokyo 103, Japan. Tel: (03) 272-7211.

* Air service included.

Printed edition single issue prices: current year, \$24.00; 1992, \$25.00; 1990-91, \$23.00; prior year, \$44.00. Foreign postage additional. Mail orders and requests for back volume prices should be sent to Microforms & Back Issues Office at the ACS Washington address.

Phone orders can be placed for printed, microfiche, and microfilm editions by calling the ACS TOLL FREE at (800) 333-9511 from anywhere in the United States and Canada. Phone orders can be charged to Visa, MasterCard, or American Express accounts.

Changes of address must include both old and new addresses with ZIP code and a recent mailing label. Send all address changes to Member & Subscriber Services. Please allow 6 weeks for change to become effective. Claims for missing numbers will not be allowed if loss was due to failure of notice of change of address to be received in the time specified; if claim is dated (a) North America, more than 90 days beyond issue date; (b) all other foreign, more than 180 days beyond issue date. Claims are handled by Member & Subscriber Services.

Supplementary material is noted in the table of contents with a ■. It is available as photocopy (\$10.00 for up to 3 pages and \$1.50 per page for additional pages, plus \$2.00 for foreign postage) or as 24× microfiche (\$10.00, plus \$1.00 for foreign postage). Canadian residents should add 7% GST. See supplementary material notice at end of journal article for number of pages. Orders must state whether for photocopy or for microfiche and give complete title of article, names of authors, journal, issue date, and page numbers. Prepayment is required and prices are subject to change. Order from Microforms & Back Issues Office at the ACS Washington address. Supplementary material except structure factors also appears in the microfilm edition.
