Minor Groove Recognition of the Critical Acceptor Helix Base Pair by an Appended Module of a Class II tRNA Synthetase, by Douglas D. Buechter and Paul Schimmel*, Volume 34, Number 18, May 9, 1995, pages 6014–6019.

Page 6015. In the right panel of Figure 1, the single-stranded sequence ACCA (Tetraloop^{Ala}) and UCCA (Tetraloop^{Gly}) should be joined to the lower strand of each of the tetraloops.
