Probing the Structure of the Cytoplasmic Domain of the Aspartate Receptor by Targeted Disulfide Cross-Linking, by Xiaomin Chen and Daniel E. Koshland, Jr.\*, Volume 36, Number 39, September 30, 1997, pages 11858–11864. Page 11861. Figure 4 is incorrect as printed. The helix on the right should be rotated by 180° such that the a–d and d–a residues are juxtaposed. The figure legend is correct as printed. The figure should appear as follows:
