

A C-Truncated Glutamyl-tRNA Synthetase Specific for tRNA^{Glu} Is Stimulated by Its Free Complementary Distal Domain: Mechanistic and Evolutionary Implications [(2009) *Biochemistry* 48, 6012]. Daniel Y. Dubois, Sébastien P. Blais, Jonathan L. Huot, and Jacques Lapointe*

The expression C1–362, used twice in the seventh paragraph of the discussion, should be N1–362.
