CORRECTIONS

In the paper "Evidence for Binding of Rose Bengal and Anilinonaphthalenesulfonates at the Active Site Regions of Liver Alcohol Dehydrogenase," by Ludwig Brand, James R. Gohlke, and D. Sethu Rao, Volume 6, November 1967, p 3510, eq 3, p 3514, should read

$$K_B = \frac{K_A(A)}{(PA)} \times \frac{n(P_i)K_A(A) - K_A(A)(PA) - (PA)}{(B_i)K_A(A) - n(P_i)K_A(A) + K_A(A)(PA) + (PA)}$$

Note that an n was omitted from the denominator.

In the paper "Protein-Carbohydrate Interaction. XX. The Interaction of Concanavalin A with Sophorose and Some of Its Derivatives," by I. J. Goldstein, R. N. Iyer, E. E. Smith, and L. L. So, Volume 6, August 1967, p 2373, the title should read "Protein-Carbohydrate Interaction. X" (not XX). On p 2374, line 4 of the legend for Figure 1, ($\blacktriangle$) p -nitrophenyl β -sophoroside should read ($\blacklozenge$) p -nitrophenyl β -sophoroside.
