

Corrections

Ultraviolet-Resonance Raman Spectroscopy of the Filamentous Virus Pf3: Interactions of Trp 38 Specific to the Assembled Virion Subunit, by Zai Qing Wen and George J. Thomas, Jr.*, Volume 39, Number 1, January 11, 2000, pages 146–152.

Page 146. In line 1 of the Abstract, the number 6300 should be replaced by 5833, and in line 2 of the Abstract, the number 2630 should be replaced by 2500. The same corrections are required in the first paragraph of the Introduction.
