

Corrections

Biophysical Characterization of Elongin C from *Saccharomyces cerevisiae*, by Alexander Buchberger, Mark J. Howard,* Stefan M. V. Freund, Mark Proctor, P. Jonathan G. Butler, Alan R. Fersht, and Mark Bycroft, Volume 39, Number 36, September 12, 2000, pages 11137–11146.

Page 11137. In the byline footnotes (bottom left), the present address given for A. Buchberger is actually that for M. J. Howard. The present address for A. Buchberger should read as follows: Department of Molecular Cell Biology, Max Planck Institute for Biochemistry, Am Klopferspitz 18a, D-82152 Martinsried, Germany. The Journal apologizes for introduction of this error.
