

Corrections

Chemical Rescue of a Site-Specific Mutant of Bacterial Copper Amine Oxidase for Generation of the Topa Quinone Cofactor, by Hideyuki Matsunami, Toshihide Okajima*, Shun Hirota, Hiroshi Yamaguchi, Hiroshi Hori, Minae Mure, Shun'ichi Kuroda, and Katsuyuki Tanizawa*, Volume 43, Number 8, March 2, 2004, pages 2178–2187.

Page 2178. Minae Mure was inadvertently omitted as an author in the version published on the Web 02/05/04 (ASAP) and in the March 2, 2004, issue (Vol. 43, No. 8, pp 2178–2187). The correct electronic version of the paper was published 04/23/04.
