Cysteine p*K*<sub>a</sub> Depression by a Protonated Glutamic Acid in Human DJ-1, by Anna C. Witt, Mahadevan Lakshminarasimhan, Benjamin C. Remington, Sahar Hasim, Edwin Pozharski, and Mark A. Wilson,\* Volume 47, Number 28, July 15, 2008, pages 7430–7440.

Page 7432. Due to a typographical error made in the final typesetting of this article, the third and fourths rows from the bottom of Table 1 should begin “rmsd for angle distances (Å)” and “rmsd for bond lengths (Å)”, respectively.
