Correction to Retinal–Salinixanthin Interactions in Xanthorodopsin: A Circular Dichroism (CD) Spectroscopy Study with Artificial Pigments [(2009) *Biochemistry* 48, 8179. DOI: 10.1021/bi900572b]. Elena Smolensky and Mordechai Sheves*

In the title, “Xanthorodopsin” should be “Xanthorhodopsin”. Page 8179. In the first, third, and fourth paragraphs, Lys-227 should be Lys-240.
