

## Correction to X-Aptamers: A Bead-Based Selection Method for Random Incorporation of Druglike Moieties onto Next-Generation Aptamers for Enhanced Binding

Weiguo He, Miguel-Angel Elizondo-Riojas, Xin Li, Ganesh Lakshmana Rao Lokesh, Anoma Somasunderam, Varatharasa Thiviyanathan, David E. Volk, Ross H. Durland, Johnnie Englehardt, Claudio N. Cavasotto, and David G. Gorenstein\*

*Biochemistry*, 2012, 51 (42), 8321–8323. DOI: 10.1021/bi300471d

A National Institutes of Health grant was inadvertently omitted. The funding statement should read “Supported by the Welch Foundation (AU-1296), NCI (CA151668), NIAID (HHSN272200800048C and AI054827), NHLBI (HHSN268201000037C), NICHD (NO1-HD-80020), NIGMS (RC2GM092599ARRA and GM076695), BRP (R01CA128797-05), and DoD (W81XWH-09-1-0212 and W81XWH-09-2-0139).”
