

Correction to Efficient Stabilization of Phosphodiester (PO), Phosphorothioate (PS), and 2'-O-Methoxy (2'-OMe) DNA·RNA Hybrid Duplexes by Amino Sugars

I. Charles, Erik Davis, and Dev P. Arya*

Biochemistry 2012, 51 (27), 5496–5505. DOI: 10.1021/bi3004507

Page 5496. In the second sentence of the abstract, it should read, “23S rRNA domain”.

Page 5497. The first full paragraph should begin with the words, “The A-site”.

Page 5498. The correct version of Figure 1 appears below.

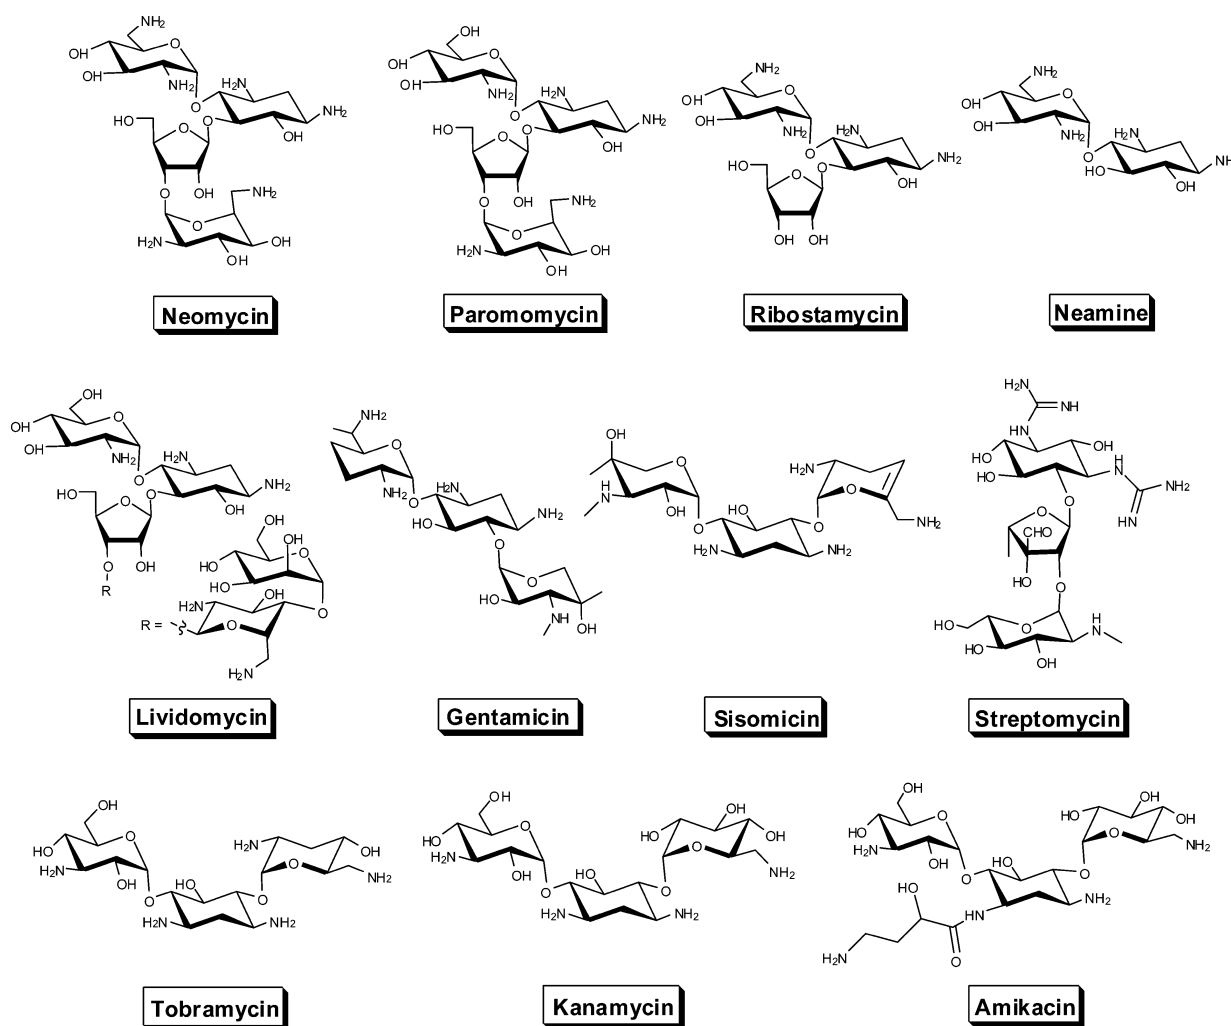

Figure 1.
