

Correction to A Yeast Telomerase Complex Containing the Est1 Recruitment Protein Is Assembled Early in the Cell Cycle

Timothy M. Tucey and Victoria Lundblad*

Biochemistry 2013, 52 (7), 1131–1133. DOI: 10.1021/bi3015218

Page 1132. In the second column, the recombinant Est1 and Cdc13 proteins that were studied by another group were expressed in budding yeast, not *Escherichia coli*.
