

XIIth INTERNATIONAL CONGRESS OF PURE
AND APPLIED CHEMISTRY

The XIIth International Congress of Pure and Applied Chemistry will be held in New York City, U.S.A., in September 1951, in connection with the 75th Anniversary Meeting of the American Chemical Society. The Section of Biological Chemistry will welcome research papers on biochemistry (including fermentation, leather, and microbiology) from all research workers who plan to attend the New York Meetings. Application blanks and detailed information can be obtained by writing to Dr HARRY L. FISHER, Administrative Assistant, 2101 Constitution Avenue, Washington 25, D.C., U.S.A., or to Dr SEVERE OCHOA, Secretary, Section 3, Biological Chemistry, New York College of Medicine, New York 16, N.Y.
