

Corrigendum

Corrigendum to “Turnstiles and bifurcators: The disequilibrium converting engines that put metabolism on the road” [Biochim. Biophys. Acta 1827 (2013) 62–78]

The first equation in the paper, Section 1.1.2, p2, appeared as

$$\Delta G = -kT \left[\frac{[ATP]/[ADP][Pi]}{[ATP]^{eq}/[ADP]^{eq}[Pi]^{eq}} \right]$$

whereas there should have been a natural log symbol in front of the square brackets on the right hand side; that is, the equation should have read:

$$\Delta G = -kT \ln \left[\frac{[ATP]/[ADP][Pi]}{[ATP]^{eq}/[ADP]^{eq}[Pi]^{eq}} \right].$$
