

VOLUME CODING FOR BBA-BIOMEMBRANES

BBA is published according to a volume-numbering scheme that embraces all sections of the journal: for 1974 the scheme (covering the volumes 375-417) is to be found on the inside cover of this issue. The seven individual sections are distinguished by a colour code. In addition to the colour code, each section is given its own sequential volume number. This system runs parallel to the overall BBA scheme: for the BIOMEMBRANES section the correspondence is indicated in the Table below. This issue is, therefore, BIOCHIMICA ET BIOPHYSICA ACTA, Vol. 375/3 or BBA-BIOMEMBRANES M 36/3.
