

ERRATA

BIOCHIMICA ET BIOPHYSICA ACTA, Vol. 552 (1979)

p. 482, lines 18–23 should read:

gluconate uptake, prevented D-gluconate dependent ATP synthesis. Similarly, arsenate inhibited ATP synthesis from D-gluconate metabolism (Fig. 4) without inhibiting the initial rate of D-gluconate uptake (data not shown). CCCP, which inhibited D-gluconate dependent ATP synthesis, did inhibit D-gluconate uptake by more

BIOCHIMICA ET BIOPHYSICA ACTA, Vol. 553 (1979)

p. 426, line 1, for “0.18 g/l” read “18 g/l”
