Fellowships

for attendance at the

15th International Congress of Biochemistry

Jerusalem, Israel, 4–9 August 1991

The International Union of Biochemistry and the Organizing Committee of the 15th IUB Congress will, together, make available fellowship awards to younger biochemists who wish to attend the Congress. Preference will be given to residents of countries where biochemical research is in the early stages of development.

Fellowships will provide partial support of travel (normally up to a maximum of one-half of the economy air fare or 70% of the Apex fare, whichever is lower, and

subsistence during the Congress). The Organizing Committee will waive the registration fee for all Fellows.

Application forms can be obtained from Dr. R.L. Hill, Department of Biochemistry, Duke University Medical Center, Durham, North Carolina 27710, U.S.A. Completed applications should be received as early as possible and no later than August 25, 1990. It is anticipated that decisions will be made by December 1, 1990.
