

Corrigendum

Corrigendum to “Substrate specificity of a chimera made from  
*Xenopus* SGLT1-like protein and rabbit SGLT1”  
[Biochim. Biophys. Acta 1758 (2006) 747–754]

Katsumi Nagata\*, Yoshio Hata

*Department of Biomedical Science, Institute of Regenerative Medicine and Biofunction,  
Tottori University Graduate School of Medical Science, Nishimachi 86, Yonago 683-8503, Japan*

Available online 1 November 2006

---

On page 752, right column, line 13 should read “bovine SGLT2 have Arg [29–32] at that position,” instead of “bovine SGLT2 have Arg [29–32] at that position.”
