The publisher regrets that due to an error during production, Fig. 10 on page 1496 of the article referenced above is not the correct figure. It is a duplicate of Fig. 8. The correct Fig. 10, with legend, is given below.
The publisher would like to apologise for any inconvenience caused.

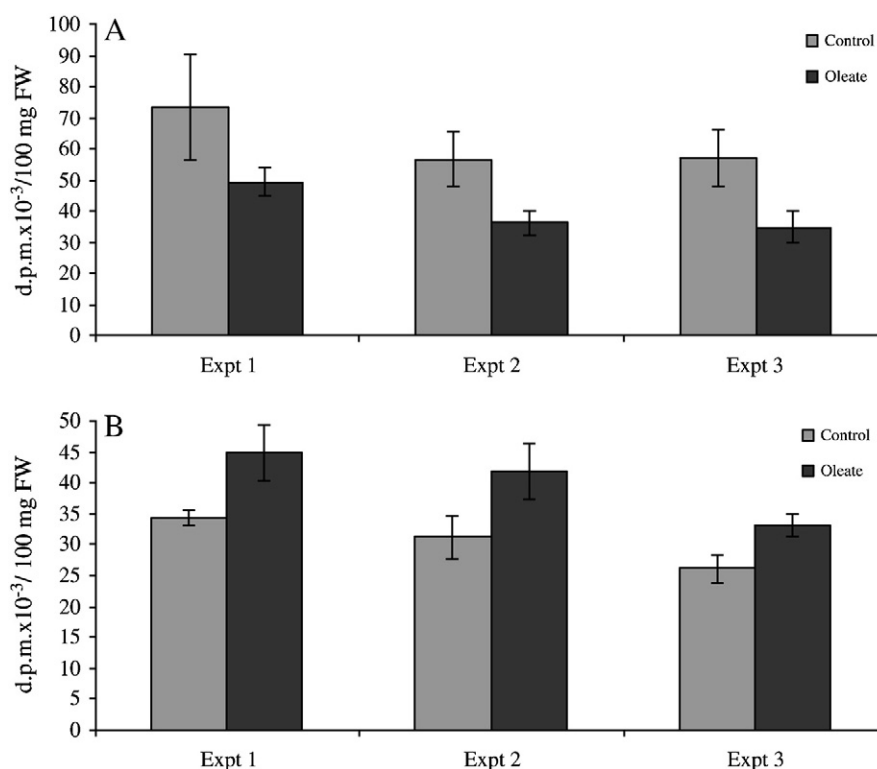

Fig. 10. Single manipulation top-down control analysis (TDCA) of soybean cultures using exogenous oleate. Fatty acid synthesis was measured using [1-¹⁴C]acetate (A) and lipid assembly using [U-¹⁴C]glycerol (B). Data as means ± S.D. (n = 3) for three separate experiments.
