

Erratum

How adaptation and mass transfer control the biodegradation of linear alkylbenzene sulfonate by activated sludge

B.E. Rittmann, P. Tularak, K.-C. Lee, T.W. Federle, N.R. Itrich, S.K. Kaiser, J. Shi & D.C. McAvoy

Biodegradation 12(1): 31–37 (2001)

Equations (4) and (5) contained typing errors. The correct versions of the equations are:

$$V \frac{dC_j}{dt} = -q_{\max 1} \frac{C_j}{K_{s1} + C_j} X_{a,j} V - k_{MT}(K_d C_j - q_j) X_v V \quad (4)$$

$$V \frac{dq_j X_v}{dt} = k_{MT}(K_d C_j - q_j) X_v V \quad (5)$$
