

Corrigendum

Corrigendum to "Macrocyclic hexapeptide analogues of the thrombin receptor (PAR-1) activation motif SFLLRN" [Bioorg. Med. Chem. Lett. 9 (1999) 255][†]

D. F. McComsey, L. R. Hecker, P. Andrade-Gordon, M. F. Addo and B. E. Maryanoff

*Drug Discovery, The R. W. Johnson Pharmaceutical Research Institute,
Spring House, PA 19477, USA*

On page 259, in the agonist activ. column in Table 2, the value for the reference standard "std" is incorrect. The correct value is 0.28.
