

ANNOUNCEMENT

Tenth Enzyme Mechanism Conference

Asilomar Conference Center, Pacific Grove, California, January 2-6, 1987

The Tenth Enzyme Mechanism Conference will take place from January 2 to 6, 1987 at the Asilomar Conference Center, Pacific Grove, California. The six formal lecture sessions to be held from January 3 to 5 will be on the following topics: mechanisms through structural studies, mechanisms using mutagenesis techniques, bioorganic mechanisms, mechanism-based inhibition, bioinorganic mechanisms, and mechanisms of metabolic regulation.
