

ERRATUM

Volume **29**, Number 5 (2001), in the article “Cyclic Analogs of Insect Oostatic Peptides: Synthesis, Biological Activity, and NMR Study,” by Jan Hlaváček, Miloš Buděšínský, Blanka Bennetová, Jan Mařík, and Richard Tykva, pages 282–292 (doi: 10.1006/bioo.2001.1210): On page 289, Fig. 1, due to a compositor error, Fig. 1 was incorrect as printed. The legend was correct as printed. For the reader’s convenience, the correct Fig. 1 and it’s legend are printed here.

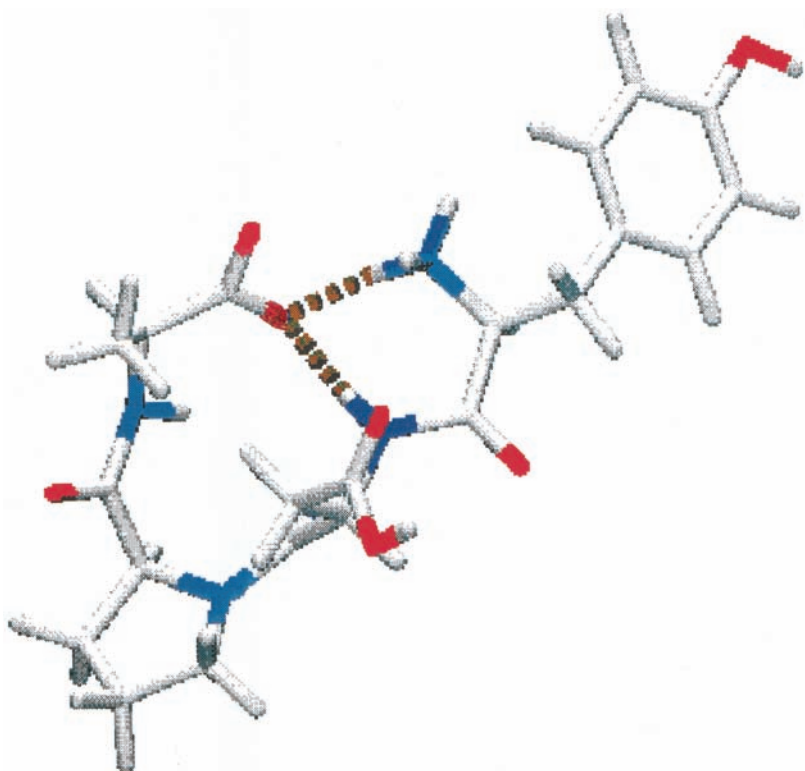

FIG. 1. Calculated conformation of H-Tyr-Asp-Pro-Ala-OH with H-bond between amino Tyr¹ and (or) Asp² and carboxyl Ala⁴ groups (MOPAC 7.01).
