

Publisher's Note

Graphical abstracts

Volume 34 marks the introduction of graphical abstracts for papers published in *Bioorganic Chemistry*. Inclusion of graphical abstracts in the journal contents pages aims to provide a clearer, more concise overview of the contents of each issue, facilitating both print and online browsing.

Authors are invited to submit a graphical abstract with each submission to *Bioorganic Chemistry* via the journal's online submission system at <http://ees.elsevier.com/bioorg>.

For further information, please consult the Guide for Authors on the journal's home page at <http://elsevier.com/locate/bioorg>.
