

## **Foreword**

**Symposium Papers**  
**International Conference on 'Peptide Conformation in Solution'**  
**Lasocin, Poland**  
**August 31–September 5, 1987**

The papers contained in this special issue were presented at the International Conference entitled 'Peptide Conformation in Solution' held in the beautiful Owl Mountains, Lasocin, near Wrocław, Poland, in September 1987. It was a satellite meeting of the International Biophysics Congress held in Israel and was organised by Professors I.Z. Siemion (Wrocław), A. Bierzynski (Warsaw) and G. Kupryszewski (Gdansk).
