Correction and Apology

Erratum to “Concentration-dependent behavior of nisin interaction with supported bilayer lipid membrane” [Biophys. Chem. 99 (2002) 271–279] ☆

Weimin Huang, Zheling Zhang, Xiaojun Han, Jianguo Wang, Jilin Tang, Shaojun Dong,
Erkang Wang*

We acknowledge, with profound regret, that portions of the introductory text and discussion material in our publication [1] were adopted without proper acknowledgement from the previously published work of other authors [2]. We hereby wish to apologise sincerely to these authors [2] and to the editors, publishers and readers of *Biophysical Chemistry* for this serious lapse in accepted codes of practice for scientific publication. The experimental data and conclusions in the original paper are unaffected.
