

Kister et al., Vol. 52, No. 4, October 1987

Page 534

The following reference should be added to the second sentence of the paragraph after Eq. B5.

In this case (Wyman, J., and S. J. Gill, personal communication) the (\bar{Y}_{IHP}) integral. . .

Note that original Eqs. B6 and B7 should be written in terms of natural logarithms to base e.
