

Akeson and Deamer, Vol. 60, No. 1, July 1991

Page 104

Right-hand column, second sentence, should read:

Our results showed that the current ratio for H<sub>2</sub>O/D<sub>2</sub>O in gramicidin at 0.01 M HCl was  $1.34 \pm 0.11$  which is within experimental error of the ratio measured in liquid water.
