A correction published in *Biophysical Journal*, June 2000, p. 3292, Vol. 78, No. 6 was wrongly attributed to Laberge, M., M. Köhler, J. M. Vanderkooi, and J. Friedrich. 1999. *Biophys. J.* 77:3293–3304. The figures published in that paper are correct as published.

The *Biophysical Journal* apologizes for any inconvenience this error may have caused.
