The Editorial Board of the *Biophysical Journal* has been notified by Dr. Zonia that she and Dr. Feijó, listed authors of a paper published in February 2003 (84:1387–1398), entitled “State and Spectral Properties of Chloride Oscillations in Pollen”, wish to retract this paper. The paper was composed and submitted to the Journal with incomplete consultation between the authors leading to conclusions that Dr. Feijó cannot support. Dr. Zonia extends her apologies to the scientific community.
