

Michel Roux, Stéphane Moutard, Bruno Perly, and Florence Djedaini-Pilard. 2007. Lipid lateral segregation driven by diacyl cyclodextrin interactions at the membrane surface. *Biophys. J.* 93:1620–1629.

The volume number in the reference citation in the Abstract was incorrect. The correct citation is:

(Roux, M., R. Auzely-Velty, F. Djedaïni-Pilard, and B. Perly. 2002. *Biophys. J.* 82:813–822).

Also, reference 14 was incorrect. The correct reference is:

14. Roux, M., R. Auzély-Velty, F. Djedaïni-Pilard, and B. Perly. 2002. Cyclodextrin-induced lipid lateral separation in DMPC membranes. A ^2H -NMR study. *Biophys. J.* 82:813–822.

doi: 10.1529/biophysj.108.0900168

Rajamani Lakshminarayanan, Daming Fan, Chang Du, and Janet Moradian-Oldak. 2007. The role of secondary structure in the entropically driven amelogenin self-assembly. *Biophys. J.* 93:3664–3674.

The unit in the fourth column of Table 2 is incorrect. It should read ΔS_A , J/mole K.

doi: 10.1529/biophysj.108.0900169

Anca Margineanu, Jun-ichi Hotta, Renaud A. L. Vallée, Mark Van der Auweraer, Marcel Ameloot, Alina Stefan, David Beljonne, Yves Engelborghs, Andreas Herrmann, Klaus Mullen, Frans C. De Schryver, and Johan Hofkens. 2007. Visualization of membrane rafts using a perylene monoimide derivative and fluorescence lifetime imaging. *Biophys. J.* 93:2877–2891.

One author's name was missing. It is included in the full listing of authors above.
