Raven Lynette is a full time freelance nude art model and content creator. She works in a wide variety of genres from Art Nude and erotica to underwater. Her background in dance and performance lends itself well to posing. She is also an AIDA 2 certified freediver, allowing her to take her underwater modeling to new depths. In her free time she enjoys creating other multimedia art, diy home improvement projects, boxing, and cuddling her cats and eight legged puppy (spoiler it's a bird eating tarantula).

# SENSUOUS DRAPERY

Photographer: **Aman Gulati** @agulati.studio  
Model: **Roseanneebb** @roseanneebb

The images captures the delicate beauty of the human form, draped in the softness of fabric. The curves of the body are accentuated by the gentle folds and layers of fabric, creating an intimate and sensual composition. The use of fabric in boudoir art nude photography invites the viewer to explore the sensual and erotic aspects of the human form, while maintaining a sense of subtlety and elegance. The resulting image is a celebration of the beauty and sensuality of the female form, and a testament to the power of art to evoke emotion and desire.
