BOUDOIR

INSPIRATION

These images are about making that sensual connection with yourself. About feeling the true beauty inward and outward and not being afraid to embrace it. With a bit of implication we tease the line of nudity here and it feels so playful, leaving you wanting more. We had a great team for this session, small and intimate, each one of us added a depth we didn't expect, each layer adding it's own sentiment to the photos.

Beautiful blonde model Courtney Cross
at rustic window of photographer's studio
Industrial Daylight located in NYC area
historic industrial building.
