Identification of potential anticancer drug targets through the selection of growth-inhibitory genetic suppressor elements

In this article by Primiano et al. (Cancer Cell 4, pp. 41-53), the authors inadvertently indicated the incorrect concentration of BrdU on page 50 in the second paragraph of the second column; this should read 50 μ M BrdU.

In addition, the authors inadvertently indicated the incorrect Hoechst dye; on page 50 in the second and fourth paragraphs of the second column, Hoechst 33342 should read Hoechst 33258.
