(Cancer Cell 17, 135–147; February 17, 2010)

In this article, Sarah Tuttleton Arron was inadvertently omitted as a coauthor in recognition of her efforts in supplying the human skin and skin cancer samples used in the analysis that resulted in Figure 2E. She has been included in the author list as shown, and her affiliation address is as follows: Department of Dermatology, University of California San Francisco, San Francisco, CA 94143, USA.

Modulation of the Vitamin D3 Response by Cancer-Associated Mutant p53

Perry Stambolsky,* Yuval Tabach, Giulia Fontemaggi, Lilach Weisz, Revital Maor-Aloni, Zahava Siegfried, Idit Shiff, Ira Kogan, Moshe Shay, Eyal Kalo, Giovanni Blandino, Itamar Simon, Moshe Oren, and Varda Rotter
