The sequences for ChIP primers and one of the real-time PCR primer listed in the Experimental Procedures section of this publication were incorrect. The correct sequences that were actually used in this study are listed below:

IL-23/p19 ChIP primers: 5'-TGCAGTCTTCTGTGTTCCCTGGAGA-3', 5'-TTTAAGGTCCCTGCACTGTAAGGC-3'

IL-12/p35 ChIP primers: 5'-AGGCTCCAAGTCAATGACCAAGCA-3', 5'-CCAACCCATGGCTCCATTCAAGAT-3'

Real-time PCR reverse primer for IL-23/p19: 5'-ACTCAGGCTGGGCATCTGTT-3'

The authors apologize for any inconvenience these mistakes may have caused.
