

Announcement

The Chemical Society Carbohydrate Group will be holding a one-day meeting in the Scientific Society's Lecture Theatre, Savile Row, London W.1, on September 29, 1972, comprising a review lecture by Professor J. S. Brimacombe (on amino-sugar synthesis and reactions) together with contributed papers on general carbohydrate chemistry. The meeting will include the Group A.G.M.

Further details may be obtained from Dr. N. R. Williams, Chemistry Department, Birkbeck College, Malet Street, London WC1E 7HX.

CORRIGENDUM

Carbohyd. Res., 23 (1972) page 195, line 14: "in 67% yield" should read "in 65% yield".
