

Corrigenda

Carbohydr. Res., 43 (1975) page 319, entry No. 3 in the References should read: W. Nakahara, R. Tokuzen, F. Fukuoka and R. L. Whistler, *Nature*, 216 (1967) 374–375.

Carbohydr. Res., 44 (1975) 37–44:

The footnote on page 43, concerning subsequent crystallisation of an amorphous solid should refer to the penta-acetate **5** (line 5) and not the pentabenzoate **6**.

Carbohydr. Res., 44 (1975) 169–180:

Throughout the paper, read O-4' instead of O-1'.

Carbohydr. Res., 45 (1975) 181–195:

Page 189, line 15 of Experimental should read 250° instead of 205°.
