Haworth Memorial Medal 1982–1983

The Haworth Memorial Medal of the Royal Society of Chemistry has been awarded to Professor Hans Paulsen (Institut für Organische Chemie und Biochemie, Universität Hamburg). Professor Paulsen delivered the Memorial Lecture, entitled “Synthesis of Complex Oligosaccharide Chains of Glycoproteins”, on March 28, 1983, at Heriot-Watt University, Edinburgh, during the Spring Meeting of the RSC Carbohydrate Group.
