Chromatography and Mass Spectrometry in Biomedical Sciences

The 2nd International Conference on Chromatography and Mass Spectrometry in Biomedical Sciences will be held in Milan, Italy, from 18–20 June, 1984. For further details, please contact Dr. A. Frigerio, Italian Group for Mass Spectrometry in Biochemistry and Medicine, Via Eustachi 36, 20129 Milan, Italy; or Dr. H. Milon, P.O. Box 88, CH-1814 La Tour-de-Peilz, Switzerland.

Luminescence Spectrometry

An International Symposium on Quantitative Luminescence Spectrometry in Biomedical Sciences will be held at the State University of Ghent, Belgium, from 3–6 September, 1984. For further details, please contact Dr. W. Baeyens, Symposium Chairman, Laboratoria voor Farmaceutische Chemie en Ontleding van Geneesmiddelen, Harelbekestraat 72, B-9000 Ghent, Belgium.
