

Announcement

The 6th European Symposium on Carbohydrate Chemistry (Eurocarb VI) will be held at Heriot-Watt University, Edinburgh, Scotland, UK, from Sunday 8th September to Friday 13th September, 1991, under the auspices of the European Carbohydrate Organisation. It is being organised by the Royal Society of Chemistry with three main themes: Structural and Conformational Aspects of Carbohydrates; Synthesis in Relation to Carbohydrates; Biochemical and Medical Aspects of Carbohydrates. Industrial aspects will be integrated within the three themes. For further information and application forms, please contact Dr. John F. Gibson, Royal Society of Chemistry, Burlington House, Piccadilly, London, W1V 0BN, UK.
