### Symposium on Synthetic Oligosaccharides

The 1993 Southeastern Regional Meeting of the American Chemical Society will include a symposium on the theme *Synthetic Oligosaccharides: Indispensable Probes for Life Sciences*. The program will consist of invited lectures, presented in three half-day sessions. The meeting will be held at East Tennessee State University, Johnson City, Tennessee, October 17–20, 1993. Requests for information about the symposium should be sent to Dr. Paul Kováč, Chairman, NIDDK, National Institutes of Health, Bldg. 8, Rm. B1A24, 9000 Rockville Pike, Bethesda, MD, 20892 (USA), Tel. 301-496-3569, Fax 301-402-0589.
