International Conference on Receptor-Regulated Calcium Influx

The meeting will be held at the Asilomar Conference Center, Pacific Grove, California, May 14–18, 1995. Attendance will be limited to 200 participants, chosen on the basis of abstracts submitted. Primary consideration will be given to the scientific content of the abstracts. Application/abstract deadline: January 27, 1995.

Inquiries and request for brochures should be directed to the Program Committee:

Dr. Stuart Thompson/Chris Mathes, Hopkins Marine Station, Dept. of Biological Sciences, Oceanview Blvd., Pacific Grove, CA 93950-3094, USA, Tel: 408 655 6223, Fax: 408 375 0793, e-mail: cmathes@leland.stanford.edu.

Dr. Christian C. Felder, Laboratory of Cell Biology, Bldg. 36, Rm 3A-15, NIMH, Bethesda, MD 20892, USA, Tel: 301 496 9925, Fax: 301 402 1748, e-mail: feldercc@helix.nih.gov.

International Symposium on Polymer Analysis and Characterization

The Eighth International Symposium on Polymer Analysis and Characterization (ISPAC-8) will be held on May 22–24, 1995 in Sanibel Island, Florida. This three-day Symposium will consist of poster sessions, invited lectures, and round-table discussions and information exchange on recent advances in polymer characterization approaches, techniques, and applications. Technical sessions will consist of polymer separations, spectroscopy, scattering techniques microscopy, and copolymer characterization. In addition, a short course on polymer analysis and characterization methodologies will be held on Sunday, May 21 preceding the Symposium.

For registration material and abstract forms, contact ISPAC Registration, 815 Don Gaspar, Santa Fe, NM 87501, USA. Tel: (505) 989-4735. FAX: (505) 989-1073.
