^c Department of Chemistry, University of Waterloo, Waterloo, Ontario, Canada N2L 3G1

The compounds employed for quartz crystal microbalance (QCM) analysis in this research were **2** and **3**, rather than **2** and **6**. Thus, compound **6** appeared in the last paragraph on page 1721 and in all paragraphs and figure titles on pages 1722 and 1723 should be compound **3**.

The authors apologize for the typos and the negligence.
